

Advocacy in Health Libraries: getting started

Dr. Marci MEROLA. Director of the Office for Library Advocacy at the American Library Association. Chicago, USA.

Resumo

The idea of advocacy for libraries presents new challenges for libraries of all types, and health libraries are no exception. How can health libraries integrate advocacy concepts into their day-to-day work? What's the role of librarians in identifying allies and advocates and shifting the perception in an increasingly complex environment? Learn what's happening in U.S. libraries and strategies for moving forward.
