Abstract

Lippincott Williams & Wilkins (LWW) is a leading international publisher and partner of premier medical, nursing and health professionals and associations, publishing the most current and influential research in more than 20 specialty areas including: Anesthesiology, Cardiology, Orthopedics, Neurology, Nursing, Obstetrics and Gynecology. Highlights of the 280 titles available and new titles will be presented.

Lippincott Williams & Wilkins (LWW) publishes over 1400 book titles on Ovid on all medical specialties including Nursing, Pharmacy and Sports Medicine. The most important titles for universities and hospitals will be presented highlighting Doody's Books collections as well as the new LWW Pharmacy Collections.

Joanna Briggs Institute, JBI's evidence-based practice model is considered a benchmark in the healthcare industry encouraging healthcare professionals to implement an effective evidence-based practice program to provide the best possible patient care. This evidence-rich content and tools from the leading evidence-based practice organisation is only available on Ovid. The JBI database and tools will be presented.
